

GoOfficePH Calendar

We connect invitations, events, participants, meetings, files, reminders, and schedule changes so plans remain actionable.

The screenshot displays the GoOfficePH Calendar application interface. At the top, there's a header with the GoOfficePH logo, navigation links for 'Website' and 'Groupware', and a user status indicator 'Signed in as Operations Administrator'. The main interface is divided into three sections:

- Left Sidebar:** Contains navigation options like 'All events', 'Today', 'Upcoming', 'Shared calendars', and 'Queued changes'.
- Calendar View:** A month view for July 2026 showing a grid of dates. The current date is Thursday, July 1st. A 'New event' button is visible in the top right of the calendar grid.
- Event Details Panel:** A form for editing or creating an event titled 'Regional operations review'. It includes fields for:
 - Event Title: Regional operations review
 - Start Date: 07/10/2026
 - Start Time: 05:00 PM
 - End Date: 07/10/2026
 - End Time: 06:30 PM
 - Location or Meeting Link: GoOfficePH Meet
 - Participants: operations@gooffice.ph, programs@gooffice.ph, finance@gooffice.ph
 - Linked GoOfficePH Files Document: /Documents/Agenda.odt
 - Reminder: none
 - Notes: Review service delivery, budget, risks, and agreed actions.

GoOfficePH Calendar

Keep invitations, schedules, shared calendars, meeting links, and follow-up visible across the workspace.

We connect invitations, events, participants, meetings, files, reminders, and schedule changes so plans remain actionable.

Turn mail into time

Add recognized invitations from Mail and preserve updates or cancellations.

Keep context attached

Link participants, Chat/Meet rooms, Suite files, descriptions, and reminders.

Plan across devices

Use responsive views and queued synchronization to keep schedules available.

The application experience and the controls around it operate as one GoOfficePH service.

A complete, recognizable interface - not a decorative crop.

GoOfficePH Calendar
 Keep invitations, schedules, shared calendars, meeting links, and follow-up visible across the workspace.

Follow the task from entry to outcome.

Capture

Create an event or accept a recognized invitation from Mail.

Coordinate

Choose participants, a meeting room, linked files, and reminders.

Stay current

Apply updates and cancellations while preserving the event history.

The screenshot displays the GoOfficePH Mail application interface. The top navigation bar includes the GoOfficePH logo, 'Website' and 'Groupware' links, and a user profile for 'Operations Administrator'. The left sidebar shows a 'MAILBOX' section with 'Mail' and a 'Compose' button, followed by a list of folders: All mail (3), VIP (1), Unread (0), Flagged (1), Attachments (1), Server folders (3), Inbox (18), Sent Items (12), Drafts (2), Categories (4), and Follow-up (4). The main content area is divided into three panes. The first pane shows a list of 3 messages in 'Comfort' view. The second pane displays the details of a message from 'programs@gooffice.ph' titled 'Regional services briefing ready for review', dated Jul 12, 4:35 PM. The message body states: 'The regional services briefing pack is ready. Please review the agenda and confirm the action owners before Thursday's meeting.' The third pane shows the 'Attachments' section with a 'Download all attachments' button and a list of attachments including 'AI', 'Workflow', and 'Graphics'.

Connected follow-through

Keep daily communication, attachments, invitations, safety cues, and follow-up in one focused inbox.

Make the experience simple without hiding operational depth.

PLANNING

Multiple views

Move between practical schedule views without losing the selected event.

PLANNING

File context

Keep agendas and supporting documents beside the schedule.

CONTINUITY

Reminders

Surface the next commitment at the appropriate time.

GoOfficePH Mail

Keep daily communication, attachments, invitations, safety cues, and follow-up in one focused inbox.

GoOfficePH Contacts

Keep personal contacts, tenant directories, shared address books, and Mail recipient workflows together.

PLANNING

Meeting links

Open the associated Chat/Meet room directly from the event.

CONTINUITY

Invitation lifecycle

Preserve accepted, updated, and cancelled invitation state.

CONTINUITY

Queued sync

Retain edits until they can be synchronized safely.

GoOfficePH Chat/Meet

Bring members and guests into persistent rooms, voice, video, screen sharing, recordings, and transcripts.

GoOfficePH Suite

Keep files, sharing, documents, spreadsheets, presentations, exports, versions, and storage in one workspace.

GoOfficePH Calendar features - 1 of 2

Technical readers can scan the implemented capability. Everyone else can read what that capability changes in everyday work.

TECHNICAL CAPABILITY	WHAT IT MEANS FOR YOU
VIEWS	
Day, week, month, and agenda views	Choose the schedule view that fits the planning task.
EVENTS	
Create, edit, delete, and search events	Manage commitments without leaving the calendar.
All-day and timed events	Represent both deadlines and scheduled appointments accurately.
Recurring events	Create repeating commitments once rather than entering every occurrence.
INVITATIONS	
Mail invitation import	Add recognized meeting requests directly from the inbox.
Accept, decline, tentative, update, and cancellation state	Keep your schedule aligned with the organizer's latest decision.
PEOPLE	
Attendees and response tracking	See who is invited and whether they plan to attend.
MEETINGS	
Chat/Meet room links	Join the associated online meeting from the event.

Customer-facing capability register for the current GoOfficePH production experience. Availability can depend on role, organization policy, subscription, device, and deployment configuration.

GoOfficePH Calendar features - 2 of 2

Technical readers can scan the implemented capability. Everyone else can read what that capability changes in everyday work.

TECHNICAL CAPABILITY	WHAT IT MEANS FOR YOU
FILES	
Suite file and agenda links	Keep preparation materials beside the calendar entry.
REMINDERS	
Configurable event reminders	Receive notice early enough to prepare or travel.
CALENDARS	
Personal and shared calendars	Separate individual commitments from team or organization schedules.
Calendar visibility and color	Understand which calendar an event belongs to without opening it.
TIME	
Time-zone aware scheduling	Coordinate participants who are not in the same location.
CONTINUITY	
Queued synchronization	Keep changes until they can be safely synchronized after connectivity returns.
Conflict and update handling	Avoid silently overwriting a newer event change.
RESPONSIVE	
Desktop, tablet, and phone layouts	Review and change schedules on the device at hand.

Customer-facing capability register for the current GoOfficePH production experience. Availability can depend on role, organization policy, subscription, device, and deployment configuration.

The product remains manageable after adoption.
